EDUCATION

- 09/2008 – 12/2011 Postdoctoral Fellowship, Psychiatry
University of British Columbia, Department of Psychiatry
Advisor: Dr. Steven Taylor
- 09/2004 – 09/2008 Ph.D., Psychology
University of British Columbia, Department of Psychology
Advisor: Dr. Peter Graf
- 09/2002 – 08/2004 M.A., Psychology
University of British Columbia, Department of Psychology
Advisor: Dr. Peter Graf
- 09/1996 – 05/2001 B.A., Psychology
University of British Columbia

EMPLOYMENT

- 08/2018 – Present Assistant Professor, Health and Cognition Laboratory, Department of Psychology, Washington State University
Courses: ANOVA (graduate), Correlation and Regression (graduate), Abnormal Psychology
- 08/2014 – 07/2018 Clinical Assistant Professor, Health and Cognition Laboratory, Department of Psychology, Washington State University
Courses: Abnormal Psychology, Cognition and Memory, Developmental Psychology, Experimental Methods in Psychology, Introductory Statistics, Self-Control (online), Correlation and Regression (graduate)
- 08/2010 – 05/2014 Assistant Professor (Limited-Term), Department of Psychology, Concordia University
Courses: Fundamentals of Psychopathology, Research Methods, Advanced Statistics
- 05/2013 – 06/2013 Sessional Lecturer, Department of Psychology, University of British Columbia
Courses: Research Methods, Behavioural Disorders
- 09/2008 – 12/2011 Postdoctoral Fellow, Department of Psychiatry, University of British Columbia
- 09/2008 – 08/2010 Curriculum Development Specialist, Department of Psychology, University of British Columbia
Courses: Research Methods, Introductory Statistics
- 01/2007 – 07/2010 Sessional Lecturer, Department of Psychology, University of British Columbia
Courses: Research Methods, Introductory Statistics
- 01/2003 – 12/2006 Lab Instructor, Department of Psychology, University of British Columbia
Courses: Graduate Statistics, Experimental Psychology
- 09/2002 – 12/2006 Teaching Assistant, Department of Psychology, University of British Columbia
- 09/2005 – 12/2006 Research Assistant, Dr. Hakstian's Industrial Organization Lab, University of British Columbia
- 09/2002 – 08/2003 Research Assistant, Dr. Graf's Memory and Cognition Lab, University of British Columbia
- 08/2001 – 08/2002 Research Assistant, Dr. Woodward, Department of Research and Medicine, Riverview Psychiatric Hospital
- 05/2000 – 05/2002 Research Assistant, Dr. Yuille's Forensic Psychology Lab, University of British Columbia, Mountain Medium Security Prison, Kent Maximum Security Federal Penitentiary

CURRICULUM VITAE

GRANTS, FELLOWSHIPS, AND AWARDS

Grants

- 06/2018 – 12/2019 WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – PI
Acute effects of high potency cannabis on everyday life cognition - \$25,802
- 05/2018 – 08/2018 WSU Affordable Learning Grant – PI
Adopting open educational resources for Psych 333 – Abnormal psychology – \$4500
- 05/2018 – 08/2018 WSU Affordable Learning Grant – Co-I
Adopting open educational resources for Psych 105 – Intro to Psychology – \$4500
- 01/2015 – 06/2018 WSU Faculty Pilot Grant Support Program for Research on Alcohol and Drug Abuse – PI
Individual differences in the influence of cannabis on cognition - \$30,000
- 05/2017 – 08/2017 WSU Affordable Learning Grant – Funded by Academic Outreach and Innovation – PI
Adopting open educational resources for Psych 312 – Research methods in psychology – \$5000
- 01/2016 – 06/2017 WSU Dedicated Marijuana Account – PI
Strain and sex differences in the perceived efficacy of medical marijuana - \$14,274
- 01/2016 – 06/2017 WSU Dedicated Marijuana Account – Co-PI
The influence of chronic cannabis use on stress induced cognitive inflexibility - \$12,635
- 03/2011 – 09/2012 Concordia University Team Seed Grant, Office of the Vice President Research & Graduate Studies – Co-PI
Did I remember to lock the door? The role of memory distrust in checking compulsions - \$9,528

Fellowships

- 05/2017 – 05/2018 Open Education Research (OER) Fellowship, Center for Open Education, University of Minnesota
- 01/2009 – 12/2011 Postdoctoral Fellowship, Michael Smith Foundation for Health Research
- 09/2006 – 08/2008 Canadian Graduate Scholarship, Natural Sciences and Engineering Research Council of Canada
- 05/2006 – 04/2008 Senior Graduate Studentship, Michael Smith Foundation for Health Research
- 05/2004 – 04/2006 Junior Graduate Studentship, Michael Smith Foundation for Health Research
- 05/2003 – 04/2005 Post Graduate Scholarship A, Natural Sciences and Engineering Research Council of Canada
- 09/2002 – 08/2003 Graduate Entrance Scholarship, University of British Columbia
- 09/2002 – 08/2003 Elizabeth Young Lacey Scholarship in Psychology, University of British Columbia

Awards

- 04/2018 Exceptional Usage of Open Educational Resources, Associated Students of Washington State University
- 03/2018 Best Professor at WSU, Daily Evergreen's Student Choice Awards, Washington State University
- 03/2017 ADVANCE at WSU External Mentor Award, Washington State University
- 02/2010 Teaching and Learning Enhancement Fund (Department Award), University of British Columbia
- 10/2009 Brain Star Award, Canadian Institutes of Health Research
- 05/2009 Dissertation Award, Canadian Psychological Association
- 06/2008 Scientific Achievement Award, International Cannabinoid Research Society
- 09/2002 – 08/2008 Ph.D. Tuition Fee Award, University of British Columbia

Travel Awards

- 04/2016 Alcohol and Drug Abuse Research Program Travel Award, Washington State University

CURRICULUM VITAE

06/2008	International Cannabinoid Research Society Travel Award
06/2007	International Cannabinoid Research Society Travel Award
02/2007	President's Travel Scholarship in Psychology, University of British Columbia
10/2006	Department of Psychology Graduate Student Travel Award, University of British Columbia
05/2006	Faculty of Graduate Studies Travel Award, University of British Columbia
07/2004	Faculty of Graduate Studies Travel Award, University of British Columbia
03/2004	Department of Psychology Graduate Student Travel Award, University of British Columbia

SERVICE

Ad Hoc Reviewer

Acta Psychologica	Journal of Behavior Therapy & Experimental Psychiatry
Addictive Behaviors	Journal of Clinical and Experimental Neuropsychology
Addictive Medicine	Journal of Obsessive-Compulsive and Related Disorders
Applied Cognitive Psychology	PeerJ
Canadian Journal of Psychiatry	PLOS ONE
Drug and Alcohol Dependence	Psychiatry Research
Journal of Addiction Medicine	Psychopharmacology
Journal of Anxiety Disorders	

Book Review

Worth Publishers

Chapter Review

Cognella Academic Publishing
Worth Publishers

Grant and Award Review

Natural Sciences and Engineering Research Council of Canada Grant Review (Fall, 2016)
WSU Alcohol and Drug Abuse Research Program Grant Review (Fall 2016, Spring, 2017)
WSU Dedicated Marijuana Account Grant Review (Fall 2017)
Association for Faculty Women Award Review (Spring 2018)
Mitacs Canada (Spring 2018)

Conference Organization

3rd Annual International Conference on Prospective Memory, Vancouver, BC
8th Annual Northwest Cognition and Memory Conference, Vancouver, BC

Departmental Service

Faculty Advisor for the Psi Chi Society, Washington State University (Fall 2015 – present)
Department of Psychology Space Committee, Washington State University (Spring 2018)
Mentor for New Graduate Student Instructors, Concordia University
Multi-Section Course Coordinator for Research Methods and Statistics, University of British Columbia
Department of Psychology Human Subject Pool Committee Reviewer, University of British Columbia
Cognitive Representative, Department of Psychology Graduate Student Council, University of British Columbia
Liaison to the Human Subject Pools Coordinator, Department of Psychology Graduate Student Council, University of British Columbia

University Service

Psychology Department Liaison for ADVANCE, Washington State University (Fall 2016 – present)
Open Educational Resources (OER) Visioning Group, Washington State University (Fall 2017)
Course Materials Reasonable Costs Faculty Sub-Committee, Washington State University (Fall 2016, Spring 2016)
Washington State University's Cougar Day Academic Showcase (Fall 2015, Fall 2016)
Washington State University's Cougar Day Academic Fair (Fall 2015, Fall 2016)
Judge for the Showcase for Undergraduate Research and Creative Activities (Spring 2015)

CURRICULUM VITAE

STUDENT SUPERVISION

Graduate

Doctoral Dissertation Co-Chair (Primary Mentor)

Alexander Spradlin – Examining the stress cannabis link across the stress spectrum (defended)

Master's Thesis Co-Chair (Primary Mentor)

Emily LaFrance – Inspired by Mary Jane? Mechanisms underlying enhanced creativity in cannabis users (defended)

Dakota Mauzay – Devils, witches, and psychics: An examination of the relationships between religion, paranormal beliefs, and features of obsessive-compulsive disorder (defended)

Doctoral Dissertation Committee Member

Kathleen Caffrey - Harm reduction interventions for cannabis and illicit drug use

Robert Fellows – Personality, health behaviors, and cognition among middle age and older adults

Debra O'Connell – The association between the triarchic model of psychopathy and executive functioning (defended)

Kayela Robertson – Naturalistic assessment using a simulated environment: Cognitive correlates and relationship to functional status in those with neurological conditions (defended)

Angela Williams – Sex-differences in endocannabinoid regulation of alcohol withdrawal (defended)

Master's Thesis Committee Member

Arig Aboulenein – The identification and manipulation of choice representations (defended)

Lydia Baxter-Potter – Early life exposure to stress and cannabis effects on stress coping, drug seeking, and prefrontal cortical endocannabinoid signaling in adolescence (defended)

Jenna Beaver – Effects of content and non-content memory on functional ability assessment of older adults (defended)

Rachel Braley – Time estimation across the adult lifespan (defended)

Katelyn Brown – The impact of initial planning on task execution performance for older adults: A naturalistic assessment paradigm

Amy Nusbaum – The effects of stress on cognitive flexibility (defended)

Nisha Raghunath – Pre-crastination and the role of cognitive load

Christa Simon – The impact of cognitive reserve and subjective memory on compensatory strategy use in older adults (defended)

Trevor Levingston – Stress reactivity in cannabis users

Preliminary Exam Committee Member

Debra O'Connell – Sadism and psychopathy (defended)

Alex Spradlin – Individual differences in cannabis use (defended)

Dakota Mauzay – Examinations of the links between cannabis and generalized anxiety disorder, social anxiety disorder, and obsessive-compulsive disorder

Undergraduate

Honor's Thesis Supervisor

Mia Ryckman – Don't call me delusional: The effect of noun labels on stigmatizing attitudes and perceptions of people with psychological disorders (passed with distinction, 2017)

Valerie Sirois-Delisle – Diminished confidence in memory causes intrusive doubts and compulsions to check (defended, 2012)

Honor's Thesis Committee Member

Morgan Frank – The nation's forgotten: Factors that lead to the misdiagnosis and mistreatment of mental disorders by healthcare professionals in America's hospitals (defended)

Training and supervision of over 60 additional undergraduate student research assistants and independent studies students

PROFESSIONAL ASSOCIATIONS

American Psychological Association

International Cannabinoid Research Society

Research Society on Marijuana

WSU, Translational Addiction Research Center

CURRICULUM VITAE

WSU, Marijuana Working Group
